- The access gate to the pool area opens by access card. An exit button will open the gate for exit.
- Each property will be issued one (1) access card. Replacements are available for a fee set by the HOA.
- Access cards are non-transferable with unique ID and the ability to track entrance date and time.

- The access card will open the gate during official pool hours.
- Residents and guests must leave the pool area at closing time or as directed by the lifeguard/s on duty.
- The kitchenette within the Swim Club is not accessible by access card and is available for use during function reservations. A reservation form is available from Providence HOA On-Site Manager and HOA website. Fees will apply. Reservations are limited to days and times set by the HOA Board of Directors (administered by the On-Site Manager) and are subject to change.
- Group swimming lessons as well as semi-private and private swimming lessons may be approved by the HOA Board of Directors (administered by the On-Site Manager) for a fee to be determined.
